## Chapter 1 by Sammy\_Luv

The first time we met, 6th grade. I was a master at tazing people. I tazed almost everyone in my class. We were in a table together, I always set my feet on his legs and teased him a little bit. At the time, I had no idea who I liked, I had no idea which boy I liked. But then one night I had a dream about him, and I knew he was the one. Once we switched table groups, I started tazing lots of people, including him. He always made that face, the one that says "Oh, I'm gonna get you back", I couldn't help but giggle a bit. I had no idea if he liked me, but I knew I liked him. And his name was Eddie. I know he doesn't sound so cool, but... just...well, yeah. He played football and he hung out with the cool boys. Well there were a lot of cool groups at school. But I had no idea I would see him again, sometime in the future.

I then realized both Sophia and Meredith were looking at me. "What?" I asked. "You were drooling on your nose-to-nose with Eddie." "Well, look who's talking!" I said. "I was just being me..." "Yep, teasing Ruby, that's what you called me in 6th grade!" I playfully punched his arm. He smiled and
